6. NuMetal high-pressure laminates from **ATI Decorative laminates** couple a thin layer of aluminum, copper, or stainless steel with a phenolic paper backing to create a tarnish- and scratch-resistant surface. Decorative options include etching, embossing, silk screening, and more.

7. Sideview from **Crossville** takes its inspiration from the Art Deco period. The tile's beveling creates a dimensional effect and enhances the reflection of light, providing an opulent, upscale look. Available in four metallic colors.
